EXECUTIVE OFFICER

Dear Supervisors:

**AMENDMENT 2 TO CONTRACT NO. 77241 FOR THE
LANDSCAPE AND GROUNDS MAINTENANCE SERVICES
FOR SAN GABRIEL VALLEY MEDIANS
IN THE UNINCORPORATED COUNTY AREA OF ARCADIA
(SUPERVISORIAL DISTRICTS 1, 4, AND 5)
(3 VOTES)**

SUBJECT

This action is to expand the service areas for landscape and grounds maintenance services for San Gabriel Valley medians in the unincorporated County area of Arcadia to add newly constructed landscaped medians in the areas of the Colorado Boulevard medians from Rosemead Boulevard to Michillinda Avenue and the Rosemead Boulevard medians from the 210 Freeway to the Temple City boundary.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that the work continues to be categorically exempt from the provisions of the California Environmental Quality Act.
2. Find that these services continue to be more economically performed by an independent contractor than by County of Los Angeles employees.
3. Approve Amendment 2 to Contract No. 77241 with Far East Landscape and Maintenance, Inc., for landscape and grounds maintenance services for San Gabriel Valley medians to expand the service areas commencing on July 23, 2012, or execution by both parties, whichever occurs last, at an additional prorated amount of \$15,339 to increase the annual amount from \$103,730 to \$119,069 for the current contract year, and an additional amount of \$26,294 to increase the annual amount from

\$103,730 to \$130,024 for the remaining two option years with a potential contract maximum sum of \$580,957 and a potential maximum contract term of five years.

4. Authorize the Director of Public Works or her designee to annually increase the contract amount up to an additional 10 percent of the annual contract sum for unforeseen, additional work within the scope of the contract, if required.

5. Authorize the Director of Public Works or her designee to execute the amendment.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended action is to expand the areas for landscape and grounds maintenance services for the San Gabriel Valley medians in the unincorporated County area of Arcadia to add newly constructed landscaped medians in the areas of the Colorado Boulevard medians from Rosemead Boulevard to Michillinda Avenue and the Rosemead Boulevard medians from the 210 Freeway to the Temple City boundary.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs the provisions of Operational Effectiveness (Goal 1), Fiscal Sustainability (Goal 2), and Integrated Services Delivery (Goal 3). The contractor who has the specialized expertise to provide these services accurately, efficiently, timely, and in a responsive and cost-effective manner will support the Department of Public Works (Public Works) in meeting these goals.

FISCAL IMPACT/FINANCING

There will be no impact to the County General Fund.

The requested prorated increased contract amount of \$15,339, prorated for the remainder of the current contract year, will increase the annual amount from \$103,730 to \$119,069 for the current contract year; and for the subsequent two option years, the annual contract amount will be increased by \$26,294 (\$2,191.17 per month) increasing the annual amount from \$103,730 to \$130,024 plus 10 percent contingency for unforeseen, additional work within the scope of work of the contract, if required.

Funding for the amended services is available in the Fifth Supervisorial District's Road Construction Program in the Recommended Fiscal Year 2012-13 Road Fund Budget. Funding to finance the subsequent option years and 10 percent additional funding for contingencies will be requested through the annual budget process.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

On February 16, 2010, Agenda Item 31, your Board approved Contract No. 77241 for landscape and grounds maintenance services for San Gabriel Valley medians for an initial one-year period with four 1-year renewal options for a total contract period of five years commencing on February 23, 2010, in the annual contract amount of \$96,036 with Far East Landscape and Maintenance Inc., located in Valencia, California.

On November 16, 2010, during the contract's first option year, this contract was amended to expand

the level of service to include the area of Gale Avenue from 7th Avenue to Kinbrae Avenue. Under Amendment 1, the annual contract amount increased from \$96,036 to \$98,110, prorated for the amended contract year, with the subsequent years' annual amount of \$103,730.

Commencing on July 23, 2012, or execution by both parties, whichever occurs last, this contract will expand the service areas to include newly constructed landscaped medians in the areas of the Colorado Boulevard medians from Rosemead Boulevard to Michillinda Avenue and the Rosemead Boulevard medians from the 210 Freeway to the Temple City boundary. The contract is in its second optional contract term with remaining two option years.

Amendment 2 to this contract will be substantially similar to the enclosed form (Enclosure) and will continue the contract's current terms, specifications, and conditions. Prior to the Director of Public Works or her designee executing this amendment, the contractor will sign and County Counsel will review it as to form.

The contractor has agreed to pay its full-time employees the current Living Wage Rate approved by your Board on February 6, 2007, and to comply with the County's Living Wage reporting requirements. The County's Proposition A and Living Wage Ordinance (LWO) provisions apply to this contract, as County employees can perform these contracted services. This contract complies with all of the requirements of the Los Angeles County Code, Section 2.201. The contractor will continue to pay its full-time employees the required minimum rates of \$11.84 per hour without health benefits, or \$9.64 per hour with health benefits of \$2.20 per hour as specified in the LWO adopted by your Board and will comply with the County's Living Wage reporting requirements.

Pursuant to the applicable memorandum of understanding, the appropriate union was notified on May 17, 2012, of this recommended action to amend the contract. The union has not asked to meet with Public Works regarding this amendment.

Using methodology approved by the Auditor-Controller, Proposition A cost analysis indicates that the amended services can be performed more economically by the private sector.

ENVIRONMENTAL DOCUMENTATION

The proposed work is categorically exempt from the California Environmental Quality Act (CEQA). The work is within a class of projects that has been determined not to have a significant effect on the environment in that it meets the criteria set forth in Section 15301(h) of CEQA.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Approval of the amendment will continue the current contracted services and expand the service areas.

CONCLUSION

Please return one adopted copy of this letter to the Department of Public Works, Administrative Services Division.
